Is LSQ Right For You?

We welcome referrals for adults who:

- Are transitioning from hospital or a treatment facility
- Require short-term accommodation and support
- Need a safe, structured and supportive environment
- Are funded through government or plan-managed supports
- Are motivated to build skills and independence

Our Referral Process

We work alongside each person to build confidence, stability and independence for the future.

We value strong partnerships with referrers, support coordinators and service providers.

Let's Work Together

We're here to make the referral process simple and collaborative.
